The screenshot displays the Primer Premier 6.0 interface. The top menu includes File, Edit, View, Analyze, Tools, Online, and Help. Below the menu is a toolbar with various icons for file operations and analysis. The main window is divided into two panes. The left pane shows a list of sequences with columns for #, Definition, and Length. The right pane shows a sequence alignment with a primer highlighted in red. Below the panes are tabs for Primer Properties, BLAST Information, and SNP Information. The Primer Properties tab is active, showing fields for Accession Number/Name (NC\_012920), Mutant Base (C), and SNP Position (16519). Below these fields is a table with the following data:
